AGREED ORDER RESUMING ADJUSTED PAYMENTS IN JULY 2019

Now on this 28 day of May, 2019, this matter comes on for consideration of the Plaintiff School Districts' Motion to Resume Adjusted Payments in July 2019. Plaintiff School Districts are represented by Robert A. Nance. The Oklahoma Tax Commission Defendants are represented by Melody V. Sues. The Interested Party Petitioner School Districts¹ in Case No.

¹ These Districts are the Independent School District No. 29, Cleveland County, Oklahoma; Independent School District No. 4, Cleveland County, Oklahoma; Independent School District No. 4, Tulsa County, Oklahoma; Independent School District No. 5, Tulsa County, Oklahoma; Independent School District No. 22, Canadian County, Oklahoma; Independent School District

No. 117,746 in the Oklahoma Supreme Court are represented by Andrew Lester. These Interested Party Petitioner School Districts previously moved for a stay of this Court's November 13, 2018 order, Exhibit 1 hereto, which has now been resolved by the Oklahoma Supreme Court's Order of April 15, 2019, Exhibit 2 hereto.

In its order of November 13, 2018, Exhibit 1 hereto, this Court, acting through Judge Parrish, granted summary judgment in favor of Plaintiff School Districts and granted additional relief. That additional relief was injunctive relief directed to the Oklahoma Tax Commission Defendants to withhold from future motor vehicle tax revenue due certain overpaid districts designated sums for a period of thirteen months and apportion these sums to other underpaid districts to correct erroneous apportionments, all as described in Exhibit 1.

After one of those required payments was made, the Interested Party Petitioner School Districts moved to stay those payments in both the Oklahoma Supreme Court and in this Court. The Supreme Court issued a stay in its Order dated February 11, 2019, which was dissolved by its order of April 15, 2019, Exhibit 2 hereto. Exhibit 2 provided:

To the extent one or more monthly payments of the thirteen monthly installments of reapportioned funds to which real parties in interest are entitled under the November 13, 2018, order were stayed and/or withheld during the pendency of this proceeding, the district court may within its discretion determine the manner in which the payment of withheld funds to real parties in interest shall occur using the November 13, 2018 order, as a guideline.

The parties agree that twelve of the original thirteen installments remain to be paid pursuant to the terms of the November 13, 2018 order.

In consideration of the foregoing, the parties have agreed, and this Court orders in the exercise of its discretion, that the remaining twelve payments required by the Court's November

No. 9, Tulsa County Oklahoma; and Independent School District No. 27, Canadian County, Oklahoma.

13, 2018 order should be made in twelve installments starting with June, 2019 tax receipts to be apportioned to school districts in July, 2019 and continuing monthly through May, 2020's tax receipts to be apportioned to school districts in June, 2020, and thereafter cease, all as required pursuant to the November 13, 2018 order.

It is so Ordered, this 28 day of May, 2019.

Case No. CV-2016-1249

ORDER GRANTING SUMMARY JUDGMENT AND ADDITIONAL RELIEF

Now on this 2nd day of November, 2018, this matter comes on for consideration of the Plaintiff School District's Motion for Order to Show Cause Why Summary Judgment Should not be Granted to Award Further Relief to Redress Erroneous Payments (Motion). Plaintiff School Districts are represented by Robert A. Nance and Gary Watts. Oklahoma Tax Commission Defendants are represented by Marjorie Welch, Mary Ann Roberts and Elizabeth Field. Having reviewed the briefs and hearing the argument of counsel, the Court finds and concludes that there is no genuine question

EXHIBIT

1

of material facts about the following points.

1. Pursuant to the Order of the Court of Civil Appeals, the Tax Commission Defendants have recalculated the amount of motor vehicle collections that all eligible school districts should have received for fiscal year 2016 [sic]. There is no genuine issue of material fact about the correctness of this recalculation.

2. Pursuant to the Order of the Court of Civil Appeals the Tax Commission Defendants have recalculated the amount that should have been apportioned to the school Districts pursuant to the correct method of applying 47 O.S. Supp. § 1104 and base the apportionment of motor vehicle collections on the recalculated amounts for the July 1, 2016 to August 25, 2017 time period. There is no genuine issue of material fact about the correctness of this recalculation as set forth in the OTC spreadsheet which is Exhibits 4-1, 4-2, and 4-3 to the Motion and which are attached hereto and incorporated herein.

The Court, after considering Defendants' argument that the requested order would reduce future apportionment to non-Plaintiff school districts without the districts having an opportunity to appear and show cause why the relief requested by Plaintiffs should not be granted, finds Plaintiff Districts are entitled to judgment as a matter of law. This is an appropriate case for further relief to the Plaintiff Districts, and to all other Oklahoma school districts listed on Exhibit 4-3 attached hereto, under the prior rulings of this Court, the Court of Civil Appeals, and 12 O.S. § 1655. Plaintiff Districts have established that there is no genuine question of material fact as to Paragraphs 1 and 2 above, and the Tax Commission Defendants have not shown cause why further relief in the form of summary judgment and an injunction should not be entered under the prior rulings of this Court, the Court of Civil Appeals, and 12 O.S. § 1655.

In order to give effect to the direction of the Court of Civil Appeals that the Tax Commission Defendants "shall recalculate the amount that should have been apportioned to the school districts pursuant to this [correct] method and base the apportionment of motor vehicle collections on the recalculated amounts for the July 1, 2016 to August 25, 2017 time period (opinion of November 9, 2017 and revised opinion of February 9, 2018, both at ¶ 36)," this Court recognizes that the Court of

Civil Appeals ordered a *status* reappropriation of funds because both its original opinion and its revised opinion came *after* the close of the July 1, 2016 to August 25, 2017 time period. Consequently an order must issue from this Court to effectuate the reappropriation of the specific dollar amounts of funds referred to generally by the Court of Civil Appeals, based upon the undisputed evidence before this Court.

Thus the Tax Commission Defendants are hereby ordered and enjoined monthly to withhold from motor vehicle tax revenues 1/13 of the amounts overpaid to each of the school districts on Exhibit 4-2, attached, and, with the funds withheld, to pay 1/13 of the amount improperly withheld from each Plaintiff District and each of the other school districts on Exhibits 4-1 and 4-3, attached, each month for the next thirteen months. Once completed with the reallocation of a total of \$22,797,480.81 in thirteen months, the obligations of the Tax Commission Defendants hereunder shall be fulfilled.

The effectiveness of this order shall be stayed during the time the Defendants have to perfect an appeal, and, if Defendants elect to appeal, during the pendency of that appeal.

It is so ordered. Judgment is entered for Plaintiffs accordingly.
